EXPERIENCE

VIDEO EDITOR PRESENT

FREELANCE

As a freelance video editor, my main responsibility is to create compelling visual content that meets the clients' expectations and engages their target audience. I work closely with clients to understand their needs, offer creative solutions, and deliver high-quality content within their desired time-frame.

SR. VIDEO EDITOR 2022 - 2023

BRAND BULLS

As a senior video editor, some of my key responsibilities include:

- Leading the post-production process from start to finish, collaborating with clients, team members to achieve the desired creative vision.
- Managing and mentoring junior editors, providing guidance and feedback on their work.

VIDEO EDITOR 2021 - 2022

PAPER THOUGHTS

Worked collaboratively with creative directors, graphic designers to achieve project goals, edited videos with graphics, titles, audio, and special effects, coordinated scheduling and task delegation for video editing team.

- Incorporating sound effects, music to enhance the overall production value
- 2D animation for animated music videos.
