

Atul Kumar

For me, it's always about the story. Every frame I edit is chosen with intention, because I believe each cut should add meaning and emotion to the narrative.

Experience

VLED Lab, IIT Ropar
2025 - Present

- Plan and execute video shoots, including production setup, filming, and end-to-end video editing for educational and promotional content.

Kaus Media
2023 - 2025

- At Kaus Media, partnered with a range of influencers and brands, delivering high-quality Instagram content that aligned with their audience and goals.
- Gained hands-on experience in filmmaking and contributed to the production of an independent film.

Brand Bulls
2022 - 2023

- Leading the post-production process from start to finish, collaborating with clients, team members to achieve the desired creative vision.
- Managing and mentoring junior editors, providing guidance and feedback on their work.

Paper Thoughts
2021 - 2022

- Edited branded content across formats (short-form & long-form), driving improved engagement on Instagram, YouTube.
- 2D animation for animated music videos.
